MEMORANDUM FOR: Chief, Information Review Committee

STAT ATTENTION : [REDACTED] Assistant for Information, DDA

VIA : [REDACTED] Appeals Officer

STAT FROM : [REDACTED] OLC/FOIA

STAT SUBJECT : [REDACTED]

This is in response to your memorandum of 22 February 1978 in connection with subject appeal and the documents surfaced by the Executive Registry which Office of Legislative Counsel will treat below under Tabs A, B, and C. In addition, OLC has located a few additional documents as a result of the name of Senator Wayne Morse being referenced in the Executive Registry documents, and our checking the files maintained under the Senator's name. This new material is discussed below in Tab D.

Tab A - Documents for OLC Review and Determination

Item 6. OLC has no objection to release of this memorandum in its entirety after deletion of the names bracketed in red under (j)(1) of the Privacy Act: Mr. [REDACTED] then EA/DCI, and [REDACTED] then Legislative Counsel. However, please refer to DDO to treat the information provided to [REDACTED]

Item 10. OLC has no objection to release in full of the letter dated May 23, 1956 from Senator Herbert Lehman to DCI Dulles.

Item 26. OLC has no objection to release of Executive Registry Document Control abstract (ER 62/49); however, final determination should rest with Executive Registry. As a result of this abstract, OLC has located the referenced letter treated below as Tab D, Item 3.

Item 38. (Same as Item 26, but ER 62/49) ... under Tab D, Item 2.

Tab B - Documents for Coordination with OLC and DDO

Item 5 and Item 8. OLC forwarded these two letters (1st draft and a copy as signed) with memo to Appeals Officer dated 6 December 1977. In that memo we stated that OLC has no objection to release of either the final letter (13 June 1956 rewritten by OLC) and the original draft (7 June 1956 written by DDO/Western Hemisphere). However, we felt that final determination should be made by DDO who prepared the first draft.

Tab C - Document for OLC Determination as to Referral Treatment

Item 12. This document was the enclosure to Senator Lehman's letter of May 23, 1956 (Item 10 under Tab A) addressed to the DCI, Mr. Dulles, and should be referred to the Justice Department for treatment.

Tab D - New Material Surfaced by OLC

Item 1. Memo dated 10 January 1962 from John S. Warner, Legislative Counsel, for the Director. OLC has no objections to release of this memo as sanitized by deletion of the name and title of the State Department officer under privacy of the Privacy Act, and Mr. Warner's name and title under (j)(1) of the Privacy Act. (This is attached in both versions.)

Item 2. OLC has no objection to release of the letter from DCI McCone to Senator Wayne Morse dated 17 January 1962 after deletion of the organizational data as bracketed in red. However, final determination should rest with the O/DCI who prepared this final second version.

Item 3. Copy of letter from Senator Wayne Morse to Secretary of State Dean Rusk which Senator Morse forwarded to Director McCone. OLC has no objection to release of this letter, but feel it should be referred to State Department.

Item 4. Handwritten note by George Cary, former Legislative Counsel, setting down information provided to him by DDO/WH employee. We believe this should be referred to the DDO for review and treatment of their information and DDO personnel names.
